NELL HILL'S ROOMS WE LOVE (HARDBACK)

Andrews McMeel Publishing, United States, 2013. Hardback. Condition: New. Language: English. Brand new Book. A wish-book come true! In Nell Hill's Rooms We Love, decorating maven Mary Carol Garrity coaches readers on how to affordably decorate rooms they will fall in love with. Named "One of America's hottest little retailers" by Fortune magazine, Mary Carol Garrity's mini empire of three decor stores are a Midwest regional phenomenon and have become landmarks in the decorating world. In Nell Hill's Rooms We Love, we will see Mary Carol apply her Nell Hill's principles of design to new challenges. Even though design styles and trends have changed significantly since Nell Hill's Style at Home, Mary Carol's first book ten years ago, the rules that guide her approach to decorating have not. In this book, we will rediscover those principles at work in four very different houses, in addition to her own home. In the book, we will visit rooms inspired by the needs of each homeowner and will see how they transformed their rooms using Mary Carol's inspiration and "tricks of the trade." We will observe: - A century-old English Tudor in a city neighborhood, reinvented for empty nesters - A suburban tear-down that was rebuilt for a growing family - A home in the country, newly built but with an old soul - A sweeping country manor with one-of-a kind rooms While traveling through these homes, Mary Carol will construct the process and provide readers with the blueprint she uses for discovering personal styles. We hope you will be inspired by these rooms and will come away with creative energy to make your rooms beautiful, functional, colorful, and comfortable. Mary Carol Garrity and her staff at Nell Hill's work with thousands of customers each year to help them bring their homes to...
