Andru Istomin, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. If you are looking for a comprehensive dividend-investing book, then you have landed in the right place. With the help of this passive income book, learn how to invest in the booming stock market and generate true passive income through the tried and true investing strategy of dividend growth stock investing. In these difficult economic times, preparing for a secure financial future has become an essential part of our lives. This book has something for everyone, from complete novice investors to experienced investors who are investing for decades. The information age presents you with a lot of opportunities to invest in the dividend stock market without leaving your home. However, in recent times, the economy has experienced a lot of turmoils, including stock market crashes, economic recessions, and companies going bankrupt. These things and events scared ordinary people away from investing and they are hesitant to invest in passive income opportunities such as dividend stocks. This book explains all you need to know about investing in dividend growth stocks. Helping the individual investor to take control of their financial life is the central theme of this book. This book on passive income teaches a value-based strategy to invest. Currently, there is a lot of information on media and on the internet about dividend investing and passive income and most of it is confusing or perplexing for the average person. Fortunately, there are quite safe ways to invest in dividend market and this guide explains how anyone can be a successful dividend growth stock investor. There are many questions in potential investor's mind and this book answers them in a clear and easy to understand manner. We all have been taught that the dividend market is risky and you...
